DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicants' election filed November 5, 2007 is deemed non-responsive because the specific claims encompassed by the elected sub-inventions have not been identified. In response to this communication, Applicants are required to identify the claims encompassed by the following sub-inventions:

- (A) GM2-gangliosidosis Type 1
- (B) beta-hexosaminidase A
- (C) The absence of protein modification as a transport aid

It is noted that the Office telephonically contacted Applicants' representative on May 5 & 20, 2008 to clarify this issue. No response was received.

Applicants are required to respond to this communication within thirty (30) days or 1 month.

/SHERIDAN SWOPE/
Primary Examiner, Art Unit 1652
